SKILLS

Programming Languages

Python, JavaScript, HTML/CSS

Databases

SQL, MySQL

Development Tools

Pycharm, VS Code

Operating System

Linux

EDUCATION

Jamal Mohamed College

2021-2023

M.Sc. Computer Science

Grade- A

Jamal Mohamed College

2018-2021

B.Sc. Computer Science

Grade- A+

ACADEMIC PROJECT

Program specific Question Bank Access

- Developed "Program-Based Question Bank Access" web app using Flask, MySQL, HTML, CSS, and JavaScript. Led end-to-end development, designed database schema, implemented user authentication, and created interactive interfaces. Successfully deployed locally.
- Collaborated on requirements gathering, testing, and received positive stakeholder feedback.

PROJECTS

Product_Inventory_Tracker

- Created in MySQL-Workbench. It includes 2 Tables- Employers details and Product details.
- It also includes various components of our DBMS such as schema, tables and relationship between them.

Netflix_Clone

- I spearheaded the development of a Netflix homepage clone using HTML and CSS, demonstrating strong front-end skills.
- Crafted intuitive design elements for smooth navigation and utilized innovative techniques for dynamic content presentation. This project underscores my commitment to delivering polished web solutions prioritizing user experience.

EXPERIENCE

Author Grand Technologies

Aug 2023-Dec2023

Recruitment Associate

I sourced and screened IT candidates, conducted interviews for technical and cultural fit, collaborated with hiring managers to align requirements, maintained a talent pipeline, ensured compliance, managed the candidate database, and tracked recruitment metrics.

Fantasy Solutions

Feb 2023-Apr 2023

Python Intern

During my internship at Fantasy Solution, I worked on the "Program Specific Question Bank Access" project, using Python and MySQL in PyCharm. I gained hands-on experience in Python programming, database management, and problem-solving. Collaborating with the team, I contributed to the project from start to finish, enriching my computer science knowledge and practical skills.
